2019 PRISM Award Gala Supports Careers in Construction Massachusetts Contribution to BRAGB's Carpentry Trades Program

CANTON, Massachusetts (October 25, 2019) – Last night, the Builders and Remodelers Association of Greater Boston (BRAGB) held its annual PRISM Awards Gala at the Boston Marriott Long Wharf Hotel to celebrate the best of the best in the local residential building industry.

390 gala attendees gathered for the annual awards ceremony which recognized the finest projects and outstanding achievements of builders, developers, project owners, architects, land planners, marketing/advertising firms, interior designers, remodelers, and other professionals in the home building industry. The Book of Winners can be seen at www.prism-awards.com.

BRAGB President Bryan Dempsey of Norwood-based Metropolitan Cabinets & Countertops opened the event that was emceed by four BRAGB Past Presidents, two Hall of Fame Inductees and BRAGB incoming 1st Vice President. "It's a real honor to be involved with so many talented professionals here at PRISM," Mr. Dempsey said.

A record sixty sponsors graciously contributed to the event's success, including 24 Charity Sponsors who garnered \$6000 for the Careers in Construction program. Executive Officer Scott Palmer remarked, "BRAGB's purpose is to support the home building industry in our region. It is crucial that we ensure development of the next generation of tradespeople" as he reported on the night's donation.

Careers in Construction Massachusetts is managed by BRAGB. The program is designed to help Massachusetts-based public high schools launch trades programs. The program either facilitates or directly supports finding the funds, acquiring the tools, sourcing the materials and attaining the curriculum for high school administrators, instructions and students who are interested in a trades career.

BRAGB garners support for Careers in Construction through fund raising activities, member sponsorships and Sustaining Builder contributions. See www.bragb.org/GoBuildMA for more information.
